A WORD TO THE PUBLIC.

In presenting to the public this issue of our publication, we desire to state that we believe we have arranged a far more serviceable book for the multitude than a mere Almanac. In this, we furnish a complete Almanac, for two years, together with a large number of blank pages to use for an Account Book, or making Memoranda, for future reference.

Being made of a convenient size for the pocket, it is a desirable book for the Farmer, Mechanic, or Laborer, and is no less valuable to the housewife, as an Almanac and receptacle of the many recipes and family memorandas they desire to preserve.

The calculations are made for Latitude 40° Longitude 90°, answering for the Western States.

A perusal of its pages will acquaint the reader with remedies for the various diseases to which citizens of this western climate are liable; also, testimonials as to their efficacy sufficient to convince the most skeptical.

WAKEFIELD'S FAMILY MEDICINES

Are no new preparations to the public, having been household remedies in almost every community throughout the western states, for the past thirty-five years; so that if the afflicted, unacquainted with them, desire still further testimony as to their curative qualities, they have but to inquire of their neighbors. These medicines are known to be always reliable.

Full directions for their use, printed in both English and German, will be found with each article.

On the following page will be found a list of these medicines, and some of the more common diseases for which they are specially adapted.

INDISPENSIBLE.

Of the foregoing described remedies the four mentioned below we deem of such vital use in every family that we call your especial attention to them. They are each far superior to other remedies in the market for the same uses. They are **Liver Pills, Golden Ointment, Cough Syrup** and **Blackberry Balsam.**

Every housekeeper should lay in a supply of these articles for time of need. If he lives in the country and wishes to save doctors bills it is the more necessary, that he may use them in time and before disease is located. Those who do this seldom need to incur the expense of a physician's service. Full directions accompany each package.

THE BEST OF THE KIND.

WAKEFIELD'S LIVER PILLS are wholly vegetable, act promptly on the liver, stomach and bowels without griping, and produce less exhaustion than other cathartics. They are made from vegetable extracts and resinoids, of our own manufacture, and every pill is of even strength. They are sugar coated and sealed in wooden boxes. Families who have used them once will have no other kind. We guarantee them superior to any other kind in the market.

IT HAS CHARMING EFFECTS.

For sudden Colds, Pneumonia, Lung Fever, or any tightend or inflamed condition of the organs of the chest this Cough Syrup has a most charming effect. It speedily relaxes the excretory tubes, so that the retained effete matter that caused the congestion is imperceptably but hastily thrown off, and the patient gets moist and quiet. Many patients have been cured by this Syrup after having been given up by physicians. Buy a package of half a dozen, use in first attacks of cold and you will never have Pneumonia or Consumption.

PURIFY THE BLOOD.—This Syrup has very powerful alterative properties, and as the numberless wastegates of the system are thoroughly opened by its relaxant powers, the impurities of the blood are thrown out more speedily than by any other remedy.

IT NEVER FAILS!

This is what thousands of persons say of WAKEFIELD'S BLACKBERRY BALSAM; that it never fails to cure Diarrhea and Summer Complaint, in adults or children, and all irregularty of the stomach or bowels. It is pleasant for children to take, and it does not leave the bowels constipated. Relief is felt from the first dose. Try it for the proof.

Wakefield's
LIVER PILLS!

[SUGAR COATED.]

A mild, vegetable cathartic, for

LIVER COMPLAINT, COSTIVENESS, GOUT, JAUNDICE, SICK HEAD-ACHE,

And all bilious affections.

Mild purgatives are required in almost every disease, while the timely use of cathartics will almost invariably ward off a bilious attack, thereby saving the patient from a severe spell of sickness.

These pills are mild, safe and prompt in their action; no griping pains from the effects of using them; and, when used perseveringly, will cure the most stubborn cases of liver complaint. Their cathartic effects are unsurpassed by any pills made.

Evidence.

H. H. ADAMS & BRO. Scott Land, Ill., write: "We have sold your medicines for the past four or five years, and find they give general satisfaction. Your Cough Syrup is an excellent remedy, and we cheerfully recommend it to all."

WILY GREEN, Bell Rive, Ill., writes: "I have been treated by several doctors who say I have the first stages of consumption all to no advantage. I am now using your Cough Syrup and Liver Pills to great advantage, and believe they will cure me."

B. F. STEPHENS, of Pt. Isabel, Ind.,writes: "Your Cough Syrup is the best medicine I ever used, and sells well at this place."

WAKEFIELD'S COUGH SYRUP.

This is a most prompt and efficient medicine for

COUGHS, COLDS, ASTHMA, CONSUMPTION, WHOOPING COUGH, MEASLES, CROUP, HIVES and every

other disease of the Lungs or Throat.
It is especially adapted for

LUNG FEVER, WINTER FEVER AND PNEUMONIA,

which terms signify an inflammation of the lungs. It frees the engorged excretory tubes, thereby releasing the lungs of the overcharge of effete matter that has accumulated there, which causes a morbid inflammation of that organ. If you will observe, strictly, the general treatment, fully set forth in the directions, which accompany each bottle, you need have no fear as to the result. Thousands have used it, and we have yet to hear of the first case wherein it has failed.

WAKEFIELD'S

WINE BITTERS

FOR THE CURE OF

DYSPEPSIA, JAUNDICE, NERVOUS HEADACHE, CONSTIPATION, DEBILITY

From Sickness, or other causes.

This is an excellent remedy for building up the vital forces, strengthening the digestive organs, and giving tone to the whole system. It should be used in the spring of the year as a preventative against attacks as ague & fever, and bilious fever, by stimulating the action of the liver and purifying the blood.

Peruse.

C. C. KESSINGER, of Springdale, Kan. Mar. 3rd 1879, writes: "As ever, your medicines give the best of satisfaction; especially the Golden Ointment, for healing old sores it has no rival. About one year ago I had an itching on my left ankle which culminated in an obstinate sore that baffled the skill of our best physicians. After trying, in vain, everybody's remedy I concluded to try one bottle of the Golden Ointment, which entirely healed the sore."

TAGGART & GRATTAN, Nashville, Ind., Jan. 9th 1879, write: "Your Golden Ointment cannot be beat by any other preparation sold in this town.

It Will Cure.

JACOB LONG, of Lancaster, Wis., Feb. 3rd, 1879, writes: "Some time ago my boy was kicked by a horse, it swelled rapidly and was very painful. We applied the Pain Cure and the next day he was all right and at work A man sprained his leg, sent for a bottle, applied it, and it cured him. Another, a woman fell and sprained her back, she applied the Pain Cure and it helped her."

DANIEL SILL, Lincolnville, Kan., Jan. 8, 1879, writes: "Your Pain Cure saved a horse for me. After trying all the different medicines w could think of, without doing any good we turned him out to die. It finally occured to us to try Pain Cure, which we did, and it cured him."

WAKEFIELD'S

Ague & Fever Specific

Is what its name implies,

AN INFALIBLE REMEDY for AGUE, CHILLS & FEVER, DUMB AGUE, LUNG FEVER,

And all Periodic Attacks, so prevalent in the west.

This preparation is a Standard Medicine with the older settlers, having been their household remedy for the past thirty-five years. They would as soon think of doing without food in the house, as without *Wakefield's Fever Specific* at hand; especially, during a season when malarial diseases are prevalent.

Explicit directions, in both english and german, will be found with each bottle.

Evidence.

Beecher City, Jan. 9, 1873. I do certify that my daughter, 11 years old, has been afflicted with sore eyes since she was two years old. I tried several physicians, none could do her any good. I concluded I would try your Eye Salve, I commenced the use of it last summer and in three months they were entirely cured, her eyes being perfectly well now.

J. P. NELSON.

A. A. WHITEMAN, Iriquois, Ill., writes: "Your Eye Salve has cured some of the worst cases of sore eyes that I ever saw."

THRALL & MUMFORD, New Harmony, Ind., write: "Please send us a doz. boxes of your Eye Salve. It is taking the place of all other eye salves, here.

WAKEFIELD'S EGYPTIAN LINIMENT.

This is one of the most stimulating and penetrating oil Liniments in use, and is used with great success on horses in the cure of Sprains, Swellings, Bruises, Spavin, Sweeney &c. It is as strong as horse flesh will bear without iritation.

Wakefield's Nerve and Bone Liniment,

is a much more mild and soothing Liniment, and is very healing. It is used on raw sores of any kind, such as Galls, Chafes, etc. on horses, and is equally healing and softening when applied to the human flesh.

This, has been the standard Family Liniment, for all uses, for the past thirty-five years.

MEMORANDA.

WHY YOU SHOULD USE

WAKEFIELD'S FAMILY MEDICINES!

READ THE FOLLOWING CERTIFICATES.

New Westfield Indian Mission, Kan. Aug. 1st 1878.

Messrs. C. Wakefield & Co., Gents: "So far, your invaluable medicines are daily gaining friends. The only thing necessary is to *persuade them to use them once*; this done, *further persuasion is unnecessary*, as the honest use of them, once, convinces the most fearful and skeptical of their superiority over all other preparations, and from *fifty to seventy-five per cent cheaper* than the regular doctor's prescription and many fold pleasanter and safer to take. I know not of a single case wherein your medicines have failed to do all that is claimed for them, and in many cases, much more than was hoped for. Your LIVER PILLS, are with many who have used them, entirely indispensable. They cannot do without them; and were I asked to say which of your preparations are preferable, I would have to say: not one of them; as a grand whole they are a perfect family physician for all the aches and pains mortal flesh is heir to, and I do hope the day will come when every family will realize their virtues and keep them on hand, ready—as much so as their daily bread—as they will save them money and much suffering. It is true, "a stich in time saves nine," and a dose of your medicine, in time, saves more than nine, in money and suffering. Wishing you great success, a long, happy and useful life, I remain ever your sincere friend in the cause of suffering humanity."

"Respectfully, KEVI RICKSECKER,
Missionary among the Chippewa and Muncie Indians.

JOSEPH MARTIN, Livonia, Mo., July 4th 1878, writes: "Your medicines give the best satisfaction of any sold in this country. Your FEVER SPECIFIC never fails to cure the Ague, the BLACKBERRY BALSAM is a sovereign remedy for all Bowel Complaints; your COUGH SYRUP is recommended by our physician for Croup and diseases of the throat, or lungs. He uses it in his own family. Your GOLDEN OINTMENT cured three cases of caked breast, my wife being one of them, it gave her immediate and permanent relief. For Cuts, or Old Sores, it is the best remedy I have ever seen tried; its merits need only to be known to give it a large sale."

JOHN PARROTT, Iowa City, Iowa, Jan. 6th 1879, writes: "I have been agent for your medicines for over thirty years, and in all that time have had no complaint, but all have been satisfied. Your Pain Cure is held in high esteem by all who have used it,"

Senna, Iowa, Feb 4th 1879.

C. Wakefield & Co., Gents: .....We have never seen anything to equal your NERVE & BONE and EGYPTIAN LINIMENTS, GOLDEN OINTMENT, COUGH SYRUP, LIVER PILLS and BROWEN'S RAT KILLER. They all find ready sale, here, and give perfect satisfaction. Very truly yours, T. J, REEVES & CO.

A. P. RHODES, Gregory's Landing, Clark Co., Mo., July 9th 1878, writes: "I do not speak favorable of your medicines because it is fashionable; but, because I have tried them in my own family, for the last two years, and have sold and recommended them to my neighbors, and I have never, in all my experience, known them to fail. They are our first resort in all cases of sickness and have brought us out all right. Your BLACKBERRY BALSAM is the best in the world."

SAM. H. SMITH, writes from Russell, Kansas, Feb. 13th 1879. We cannot well get along without Wakefield's Medicines. They are our family physician, and we have used them so long, and with such success, that we have all confidence in them. If we commence in time, we can cure almost any disease. I can conciencciously recommend them.

ROZANDER SMITH, writing from Mier, Ill. says: Your medicines ard gaining in reputation very fast. Your PAIN CURE has gained for itself a lasting name, and your WORM DESTEROYER is all that is claimed for it. Yours are the only medicines that seem to keep up to the standard of first-class remedies and I trust they will be kept up to that popular standard.

MRS. R. L. BENHAM, Petersburg, Ill., June 18th 1878, writes: 'I don't see that I can raise my family without your medicines. I have used nearly all kinds of them and have never failed to break up a disease, as yet, in a very short time."

W. J. BOBO, Carrolton, Ark. Jan. 4th 1879, writes: "All invalids who have used your medicines are well pleased with their effects, and say you have their best wishes. Your Ague & Fever Specific has cured where all others have failed."

AMOS O. WHITEMAN, Iriquois, Ill, July 14th 1878, writes: "Your medicines take precedence over all others, in this country. Your Cough Syrup, Liver Pills, Blackberry Balsam and Eye Salve are indispensable."

SIFFORD & HOPKINS, Wall Lake, Iowa, July 1st, 1878, write: "The demand for your medicines is increasing very fast, and they are giving good satisfaction, especially the Cough Syrup, Pills and Blackberry Balsam."

Mt. Moriah, Harrison Co., Mo., Oct. 18th 1878.
This is to certify that James Prater, a resident of this place, who has been subject to the Ague for the past four years, was cured permanently by the use of WAKEFIELD'S AGUE & FEVER SPECIFIC. Mr. Prater tried almost everything that is recommended for that disease. Physicians had given him up. There is no one to day, louder in praise of Wakefield's Medicines, than James Prater. J. H. MEYER,
With JAS. WEBB.

JAMES HILL, of Iowa City, Iowa, July 20th 1878, writes: I cured a very bad case of Scarlet Fever, in my family, with your medicines. My neighbors all say it beats any of their family physicians."

HIRAM BROWNELL, Marshfield Minnesota, Jan. 8th 1879, writes: "Your medicines are meeting with success wherever I have introduced them; especially so with the Cough Syrup and Liver Pills."

FOR OLD SCROFULOUS SORES,

Or Fever Sores,

Apply a plaster of WAKEFIELD'S GOLDEN OINTMENT on the sore, twice a day; take one or two LIVER PILLS every night for a month or more, to drive all scrofulous humor from the blood; and use a plain nourishing diet. This has cured many fever sores.

EVERY FAMILY should have in the house one or two bottles of WAKEFIELD'S BLACKBERRY BALSAM, which never fails to cure Diarrhea, Summer Complaint Cholera, and all excited actions of the stomach and bowels.

DO NOT NEGLECT a Cough, or Cold, but take freely of Wakefield's COUGH SYRUP, during the evening, and drive it away.

For Croup—Give COUGH SYRUP very freely; apply GOLDEN OINTMENT in the throat with a swab and bind a plaster of the Ointment on the surface.

For Consumption,—Take large doses of COUGH SYRUP, through the day, and still larger at bed time, to thoroughly relax the system so that the putrid accumulations may pass out of the system. Repeat this, two or three days; then reduce to regular doses. This treatment often produces an immediate turn for the better.

For Indigestion and Nervous Head-ache,—Keep a bottle of the WINE BITTERS on your table and use it with each meal; avoid rich food and over eating.

For Torpid Liver, or Biliousness,—Use the LIVER PILLS—two at a dose—three times a week, or one every night. For a sudden bilious attack, take three pills at a dose.

Fever Specific cures all periodic diseases, whether in the form of Bilious Fever, Chills, or Shaking Ague. It has never been known to fail.

A Mystery Explained. Why does Wakefield's Fever Specific sustain an enviable reputation all over the west, without being advertised in the Newspapers? Because: its never-failing quality, in use, is the stronger advertiser. "The proof of the pudding is in the eating."

Can't do without it! This is what heads of families say, in writing about WAKEFIELD'S GOLDEN OINTMENT. It is oftener used in a family than any other remedy, being superior for Cuts, Burns, Sores, Piles, Chilblains, Sore Throat and all external ailments.

Cramp in the Limbs.—Apply the PAIN CURE, freely over the affected part, and rub rapidly to create friction.

NATURES SCAVENGERS.

The pores and their connecting tubes are the scavengers that convey off the impure particles, gasses and refuse material from the blood. If, by sudden cold or other cause, these pores and tubes become closed, these impurities are retained and become a sourse of iritation, Inflammation and Pneumonia is likely to follow unless your vital forces are able to rally and force the outlets.

THIS INFLAMMATORY condition, so dangerous to life, is prevented, or speedily cured by a free use of Wakefield's Cough Syrup, which opens the pores and small tubes, and allows all of the waste matter to invisibly excrete as formerly. If the vital forces are strong relief will be speedy; if the forces are considerably exhausted, before a relaxation is produced, it will take longer in proportion; hence the importance of begining in time in all cases,

BLOOD PURIFYER.—The Cough Syrup cannot be excelled as a blood purifyer, as it has the best alterative remedies in its combination. The relaxant properties open the pores and excretory tubes; then the alterative properties drive out the impurities from the system with much greater success than they could otherwise do. To attempt to drive out the impurities from the blood while the excretory passages are closed, would be like attempting to drive a pig out of your yard while the gate is closed.

THE SOVEREIGN REMEDY for a majority of the ills that humanity is heir to, is found in Wakefield's Liver Pills. They are the first article required, and, if used in time, are generally all that is required. They answer equally well for old and young, male and female.

A BILIOUS ATTACK may develop into a bilious fever, chills and fever, or shaking ague. In either case the Fever Specific and Liver Pills will break it up in one or two days, without fail.

THE CAUSE of unthriftiness in children is most frequently worms in the stomach. Give Wakefield's Worm Destroyer.

The most thrifty farmers keep Wakefield's leading remedies in the house and seldom have need of a physician.

FOR the throat, lungs, or blood, use Wakefield's Cough Syrup.

BROWENS RAT KILLER is sure death to Rats, Mice and Insects. When put forth to conquer, it slays its thousands.

HOW TO SAVE MONEY.

Our variety of remedies are prepared with great care, and are as well adapted to all of the simple forms of disease as any physician can prescribe. As nearly all diseases are simple in form at first, our preparations are all that is required. If kept in the house and used before disease has become deeply seated, a small quantity will then throw it off. The farmer has learned that the expense of one visit from a distant physician will buy medicine enough to last perhaps several months ECONOMY then says: buy a variety of these reliable medicines, and have them on hand ready to combat any attack. You should have one bottle each, of Fever Specific, Cough Syrup, Golden Ointment, Blackberry Balsam, Wine Bitters, Pain Cure and Liver Pills. It is a small investment, yet may save much suffering, and even life itself.

It Faileth Not. After all other medicines and treatment has failed our Blackberry Balsam has given speedy relief, in a large number of cases of Chronic Diarrhea and Flux.

Pneumonia.—If you have a hard cold, attended with weariness, chilliness and, perhaps flushes of fever, you are threatened with Pneumonia, and should without delay, use the Cough Syrup, in large doses; soak your feet and take one dose of Liver Pills.

For Measles,—Use Cough Syrup and small doses of Fever Specific, in alternate doses until one or two days after they are out.

Ague & Fever rapidly undermines the nervous system and should not be allowed to run. One bottle of Fever Specific, with a dose of Liver Pills, will cure any new case.

Summer Complaint in Children should be kept in check by the daily use of small doses of the Blackberry Balsam.

Rats are a great nuisance to cellar and corn crib, but are easily destroyed by BROWEN'S RAT KILLER.

For Torpid Limbs,—Apply PAIN CURE and rub upward to carry the congested blood back into circulation.

Farm Proverbs:—Use diligence, integrity, and proper improvement of time, to make farming pay,

Do not keep more live stock on your farm than you can keep well.

Sell when you can get a fair price, and do not store for rats and speculators.

The more comfortable you can keep your animals, the more they will thrive.

A good cow is a valuable machine; the more food she properly digests, the more profit.

WAKEFIELD'S FAMILY MEDICINES

were placed before the public, as proprietary articles, in 1846; in rather a small way at first, to be sure, but as their virtues became known they steadily gained in popular favor, until now their sales extend to every state and teritory on the continent. This, in itself, speaks volumes in their favor, for this great demand has not been created by extensive advertising, but by their merit, made known by their use, which has made a reputation for them that time does not efface from memory.
